

SUMMER 2021

ENGLISH LANGUAGE AND LEISURE PROGRAMMES

WELCOME TO NOTTINGHAM

Our Nottingham Centre is based at the University of Nottingham's University Park campus. Your programme includes a 3-night stay in London as well!

THE PROGRAMME

Our language and leisure programme has been designed to give you an integrated learning experience. Each day is made up of a combination of engaging classroom-based English language lessons, workshops, activities and excursions. All this gives you the opportunity to acquire new language and practice your communication skills with English-speakers.

Please see the centre timetable for the daily programme.

2 WEEKS IN NOTTINGHAM

We aim to localise our leisure programme as much as possible to give students the chance to explore the culture and history on their doorstep.

As well as being an interesting city in itself, **Nottingham** is a great starting point for exploring the the beauty and heritage of the **Peak District**, and there is a variety of places to visit and landscapes to experience all within a hour's drive of the centre.

The Anglo programme includes **half-day** visits to stunning **Belvoir Castle** and the spa town of **Buxton** in the heart of the **Peak District**.

At the weekend, we go a bit further afield and there are full-day excursions to **York** and **Cambridge**.

After 11 nights in **Nottingham**, you will be transferred to our **London Brentford** centre by private coach, and spend 2 days exploring the famous attractions in the nation's capital. Travel into and around **London** is either by overland train or the Tube.

In the evenings, there's the opportunity to participate in talent shows, find new friends in speed dating, play bingo, test your knowledge in the weekly quiz and show off your dance moves at the disco.

When in London, you will have dinner out and spend the evening in the city, returning to campus around 22:30.

CARING, ATTENTIVE TEACHERS & STAFF

Our summer team have been selected for their experience in and suitability for working with young people.

Anglo centre mangers are responsible for ensuring the smooth-running of the programme and most have had many years of experience on summer courses.

Quite a few of our teaching staff have worked with us for several summers as well, and have been involved in developing the syllabus by contributing ideas they have tried and tested at centre.

We are also proud that many of our activity team are returners and that some move into management positions, using their experience to make the programme better and safer each year.
