

SUMMER 2021

ENGLISH LANGUAGE AND LEISURE PROGRAMMES

WELCOME TO SAN JOSÉ

Our **San José** centre is based at **San José State University**, located in downtown San José. It's the oldest public university on the West Coast and despite being in the centre of the city, stands in 157 acres of grounds.

THE PROGRAMME

Our language and leisure programme has been designed to give you an integrated learning experience. Each day is made up of a combination of engaging classroom-based English language lessons, friendly team sports, activities and excursions. All this gives you the opportunity to acquire new language and practice your communication skills with English-speakers. Please see the centre timetable for the daily schedule.

LEARNING & CULTURE

1

CLASSROOM
LEARNING

3 hours each
weekday

2

ACTIVITIES
& SPORTS

3

EXCURSIONS

ACCOMMODATION

Triple and
double study
bedrooms with
shared
bathrooms

CATERING

3 meals a day
served in a
modern dining
area. Packed
lunch on
weekend
excursions

13 NIGHTS IN SAN JOSÉ

We aim to localise our leisure programme as much as possible to give students the chance to explore the culture and history on their doorstep. This is easy to do when the centre is right downtown, such as **San José!**

Our **San José** centre is a great place from which to discover both the historic and modern day aspects of the area known as **Silicon Valley**. Today most of the focus is on **San José** as a hub for **technology** and **IT development**, but there are still traces of its **Spanish** and **Mexican** past up until the mid 1800s.

The Anglo programme includes **half-day** and **full-day** trips to **San Francisco, Stanford** and **Santa Cruz**, with visits to **Googleplex, Apple Visitor Centre, San José Museum of Art, SFMOMA, Pier 39** and **Fisherman's Wharf**. You will also have **dinner out 3 times** during your 2-week stay!

If you are on campus in the evenings, there are **sports sessions, games** and **discos** to keep you entertained and give you the chance to practice your English.

CARING, ATTENTIVE TEACHERS & STAFF

Our summer team have been selected for their experience in and suitability for working with young people.

Anglo centre managers are responsible for ensuring the smooth-running of the programme and most have had many years of experience on summer courses.

Quite a few of our teaching staff have worked with us for several summers as well, and have been involved in developing the syllabus by contributing ideas they have tried and tested at centre.

We are also proud that many of our activity team are returners and that some move into management positions, using their experience to make the programme better and safer each year.
