

HIGH SCHOOL INTEGRATION PROGRAMMES

THE COMPLETE STUDY AND CULTURE EXPERIENCE

The Anglo Integration Programme offers you the opportunity to sample life as a full-time student in the UK whilst living with an English family.

THE PROGRAMME

Students spend 2, 3 or 4 weeks staying with a family and attending a local secondary school. After school and at the weekend, there are organised excursions and activities, which provide further opportunity for practicing newly acquired language skills, learning more about life in the UK and meeting people.
